CONSENT TO AURICULAR ACUPUNCTURE TREATMENT

I, _____, understand that Auricular Acupuncture Treatment (as defined below) is provided by the practitioners from Harmony Acupuncture, LLC ("Clinicians"). During the treatment, my medical history, treatment plan, and progress are discussed by the Clinicians for appropriateness and effectiveness. I understand that this agreement covers the Clinicians from Harmony Acupuncture LLC who now or in the future treat me.

Auricular Acupuncture Treatment: I understand that Clinicians will perform a standardized auricular acupuncture protocol for behavioral health, mental health, and disaster and emotional trauma. Treatment consists of insertion of five special sterilized acupuncture needles in points on the ear.

Potential Risks: I understand that, while not common, side effects can potentially occur from the Auricular Acupuncture Treatment. Some examples include, but are not limited to: pain, discomfort, local bruising, slight bleeding, fainting, headaches, rashes, and temporary aggravation of symptoms existing prior to treatment. Less common side effects include: spontaneous miscarriage, infection, and nerve damage.

Medical Treatment: I understand that it is my responsibility to inform my Clinician of all aspects of my health on the attached Limited Health History form, including any changes in my health status since my last Auricular Acupuncture Treatment. If there is a worsening of an ailment or condition, or if a new ailment or condition arises, I should consult a licensed physician. I also understand that if I am currently under a physician's care, I should continue as long as my physician and I deem it necessary. I further understand that Harmony Acupuncture LLC does not recommend altering medications or other therapies without first consulting my personal physicians or health care providers.

Voluntary: I hereby request and consent to the performance of the Auricular Acupuncture Treatment on me. I have not been guaranteed any specific outcomes concerning the uses and effects of this treatment. I understand that I am free to discontinue treatment at any time. I voluntarily assume all risks inherent in the nature of the Auricular Acupuncture Treatment.
